

GENERAL CONDITIONS OF CONTRACT

DE MINIMIS CONTRACTS

1. **LEGAL STATUS OF THE PARTIES:** The Party with whom UNFPA is contracting (“Contractor”) under the contract to which these General Conditions of Contract apply and be made a part thereof (“Contract”) shall be considered as having the legal status of an independent contractor *vis-à-vis* UNFPA. The Contractor’s officials, representatives, employees, agents, subcontractors, or any other persons engaged and controlled by the Contractor to perform any services under the Contract (collectively, the “Personnel”) shall not be considered in any respect as being the employees or agents of UNFPA.
2. **DEFINITIONS:** For purposes of these General Conditions of Contract, the capitalized terms used herein shall have the meaning as defined in the Contract, unless defined in these General Conditions of Contract.
3. **RESPONSIBILITY FOR PERSONNEL:** The Contractor shall be responsible for the professional and technical competence of its Personnel and will select, for work under this Contract, reliable individuals who will perform effectively in the implementation of this Contract, respect the local customs, and conform to a high standard of moral and ethical conduct.
4. **ASSIGNMENT:** The Contractor shall not assign, transfer, pledge or make other disposition of this Contract or any part thereof, or any of the Contractor's rights, claims or obligations under this Contract except with the prior written consent of UNFPA.
5. **SUBCONTRACTING:** In the event that the Contractor requires the services of subcontractors, the Contractor shall obtain the prior written approval and clearance of UNFPA for all subcontractors. The approval of UNFPA of a subcontractor shall not relieve the Contractor of any of its obligations under this Contract. The terms of any subcontract shall be subject to and conform with the provisions of this Contract.
6. **REPRESENTATIONS AND WARRANTIES:**
 - 6.1 The Contractor represents and warrants throughout the entire validity period of the Contract (“Contract Term”) that:
 - 6.1.1 the Contractor has the full authority and power to enter into the Contract and to perform its obligations under the Contract and the Contract is a legal, valid and binding obligation, enforceable against it in accordance with its terms;
 - 6.1.2 all of the information it has previously provided to UNFPA, or that it provides to UNFPA during the Contract Term, concerning the Contractor and the provision of the goods, services and the delivering of the deliverables is true, correct, accurate and not misleading;
 - 6.1.3 it is financially solvent and is able to provide the goods and the services to UNFPA in accordance with the terms and conditions of the Contract;
 - 6.1.4 it has, and will maintain throughout the Contract Term, all rights, licenses, authority and resources necessary, as applicable, to provide the goods, services and deliver the deliverables to UNFPA’s satisfaction within agreed timelines and to perform its obligations under the Contract;
 - 6.1.5 the work product is and will be original to the Contractor and does not and will not infringe any copyright, trademark, patent or other proprietary right of any third party;
 - 6.1.6 the Fees for the services and deliverables under the Contract are the most favourable pricing terms available to any customer of the Contractor (or of any its affiliated entities). If at any time during the term of this Contract, any other customer of the Contractor (or of any of the Contractor’s affiliated entities) obtains more favourable pricing terms than those provided to UNFPA, the Contractor will retroactively adjust the Fee and related pricing terms under this Contract to conform to the more favourable terms and the Contractor will promptly pay UNFPA any amounts owing to UNFPA as a result of such retroactive Fee adjustment; and
 - 6.1.7 except as otherwise expressly stated in the Contract, it has not and will not enter into any agreement or arrangement that restrains or restricts any person’s rights to use, sell, dispose of or otherwise deal with any work resulting from the services. The Contractor will fulfill its commitments with the fullest regard to the interests of UNFPA and will refrain from any action which may adversely affect UNFPA or the United Nations.

6.2 The Contractor further represents and warrants throughout the Contract Term that it and its Personnel will perform the Contract and provide the goods, the services and deliverables:

6.2.1 in a professional and workmanlike manner;

6.2.2 with reasonable care and skill and in accordance with the highest professional standards accorded to professionals providing the same or substantially similar services in the same industry; and

6.2.3 with priority equal to that given to the same or similar services of a time sensitive nature for the Contractor's other clients.

6.3 The representations and warranties made by the Contractor in Articles 6.1 and 6.2 above are made to and are for the benefit of (a) each entity (if any) that makes a direct financial contribution to UNFPA to procure the goods, the services and/or deliverables; and (b) each governmental entity or other entity (as applicable) that receives the direct benefit of the goods, the services and/or deliverables.

7. INDEMNIFICATION: The Contractor shall indemnify, hold and save harmless, and defend, at its own expense, UNFPA, its officials, staff, personnel, representatives and agents from and against all suits, claims, demands, and liability of any nature or kind, including their costs and expenses, arising out of acts or omissions of the Contractor, or the Contractor's Personnel, in the performance of the Contract. This provision shall extend, *inter alia*, to claims and liability in the nature of worker's compensation, products liability and liability arising out of the use of patented inventions or devices, copyrighted material or other intellectual property by the Contractor, its employees, officers, agents, servants or subcontractors. The obligations under this Article do not lapse upon termination or expiration of the Contract.

8. INSURANCE AND LIABILITY:

8.1 The Contractor shall pay UNFPA promptly for all loss, destruction, or damage to the property of UNFPA caused by Personnel or anyone else directly or indirectly employed by the Contractor or any of its subcontractors in the performance of the Contract.

8.2 The Contractor shall provide and thereafter maintain insurance against all risks in respect of its property and any equipment used for the execution of this Contract.

8.3 The Contractor shall provide and thereafter maintain all appropriate workmen's compensation insurance, or its equivalent, with respect to its Personnel to cover claims for personal injury or death in connection with this Contract.

8.4 The Contractor shall also provide and thereafter maintain liability insurance in an adequate amount to cover third party claims for death or bodily injury, or loss of or damage to property, arising from or in connection with the provision of services under this Contract or the operation of any vehicles, boats, airplanes or other equipment owned or leased by the Contractor or its Personnel or subcontractors performing work or services in connection with this Contract.

8.5 The Contractor's liability insurance policies shall also cover subcontractors and all defense costs and shall contain a standard "cross liability" clause.

8.6 Except for the workmen's compensation insurance, the insurance policies under this Article shall:

8.6.1 Name UNFPA as additional insured;

8.6.2 Include a waiver of subrogation of the Contractor's rights to the insurance carrier against UNFPA;

8.6.3 Provide that UNFPA shall receive thirty (30) days written notice from the insurers prior to any cancellation or change of coverage.

8.7 The Contractor shall, upon request, provide UNFPA with satisfactory evidence of the insurance required under this Article.

9. ENCUMBRANCES AND LIENS: The Contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with UNFPA against any monies due to the Contractor or that may become due for any work done or against any goods supplied or materials furnished under the Contract, or by reason of any other claim or demand against the Contractor or UNFPA.

10. EQUIPMENT FURNISHED BY UNFPA TO THE CONTRACTOR: Title to any equipment and supplies that may be furnished by UNFPA to the Contractor for the performance of any obligations under the Contract shall rest with UNFPA, and any such equipment shall be returned to UNFPA at the termination or expiration of the Contract or when no longer needed by the Contractor. Such equipment, when returned to UNFPA, shall be in the same condition as when

delivered to the Contractor, subject to normal wear and tear, and the Contractor shall be liable to compensate UNFPA for the actual costs of any loss of, damage to, or degradation of the equipment that is beyond normal wear and tear.

11. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS:

- 11.1 Except as is otherwise expressly provided in writing in the Contract, UNFPA shall be entitled to all intellectual property and other proprietary rights including, but not limited to, patents, copyrights, and trademarks, with regard to products, processes, inventions, ideas, know-how, or documents and other materials, whether in intangible or tangible form, and including any and all derivative works thereof, which the Contractor has developed for UNFPA under the Contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the Contract. The Contractor acknowledges and agrees that such products, documents, and other materials constitute works made for hire for UNFPA.
- 11.2 To the extent that any such intellectual property or other proprietary rights consist of any intellectual property or other proprietary rights of the Contractor: (i) that pre-existed the performance by the Contractor of its obligations under the Contract, or (ii) that the Contractor may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract, UNFPA does not and shall not claim any ownership interest thereto, and the Contractor grants to UNFPA, without further charge, a perpetual, worldwide license to use such intellectual property or other proprietary right solely for the purposes of and in accordance with the requirements of the Contract.
- 11.3 At the request of UNFPA, the Contractor shall take all necessary steps, execute all necessary documents, and generally assist in securing such proprietary rights and transferring or licensing them to UNFPA in compliance with the requirements of the applicable law and of the Contract.
- 11.4 Subject to the foregoing provisions, all maps, drawings, photographs, mosaics, plans, reports, estimates, recommendations, documents, and all other data compiled by or received by the Contractor under the Contract shall be the property of UNFPA, shall be made available for use or inspection by UNFPA at reasonable times and in reasonable places, shall be treated as confidential, and shall be delivered only to UNFPA authorized officials, staff, personnel, representatives or agents on completion of work under the Contract.

12. **PUBLICITY, AND USE OF THE NAME, EMBLEM OR OFFICIAL SEAL:** The Contractor shall not advertise or otherwise make public for purposes of commercial advantage or goodwill that it has a contractual relationship with UNFPA, nor shall the Contractor, in any manner whatsoever use the name, emblem or official seal of the United Nations and/or UNFPA, or any abbreviation of the name of the United Nations and/or UNFPA in connection with its business or otherwise without the prior written permission of the United Nations and/or UNFPA.

13. DATA PROTECTION AND SECURITY:

- 13.1 The following terms have the following meaning:
- 13.1.1 “End User” means, in the event that the goods, services or deliverables involve the use of any information systems, any and all UNFPA officials, staff, personnel, representatives and agents and any other external users collaborating with UNFPA, in each case, authorized by UNFPA to access and use the goods, services and/or deliverables;
- 13.1.2 “UNFPA Data” shall mean any and all information or data, including UNFPA Personal Data (as defined in Article 14.2, below), in digital form or processed or held in digital form that (a) are provided to the Contractor by, or on behalf of, UNFPA and/or End Users under the Contract or through UNFPA’s and/or End Users’ use of the goods or services or in connection with the goods or services, or (b) are collected or obtained by the Contractor in connection with, or related to, the performance of the Contract;
- 13.1.3 “Disabling Code” means any virus, back door, timer or other limiting routine, instruction or design, or other malicious, illicit or similar unrequested code that may have the consequence (whether by design or unintentionally) of disrupting, disabling, harming, circumventing security controls or otherwise impeding in any manner the normal operation or performance of (i) any software or service or (ii) any UNFPA information system or network;
- 13.1.4 “Security Incident” means, with respect to any information system, service or network used in the delivery of the goods, services or deliverables, one or more events that (a) indicates that the

security of such information system, service, or network may have been breached or compromised

and (b) that such breach or compromise could very likely compromise the security of UNFPA's Confidential Information (as defined in Article 15, below) or weaken or impair UNFPA's operations. Security Incidents include any actual, threatened or reasonably suspected unauthorized access to, disclosure of, use of or acquisition of UNFPA Data that compromises the security, confidentiality, or integrity of UNFPA Data, or the ability of UNFPA or End Users to access UNFPA Data.

- 13.2 All UNFPA Data, together with all rights (including intellectual property and proprietary rights), title and interest to such UNFPA Data, will be the exclusive property of UNFPA, and the Contractor has a limited, nonexclusive license to access and use the UNFPA Data as provided in the Contract solely for the purpose of performing its obligations under the Contract. Except for the foregoing license, the Contractor will have no other rights, whether express or implied, in or to any UNFPA Data or its content.
- 13.3 The Contractor confirms that it has a data protection policy in place that meets all applicable data protection standards and legal requirements and that it will apply such policy in the collection, storage, use, processing, retention and destruction of UNFPA Data. The Contractor shall comply with any guidance or conditions on access, disclosure, retention and destruction notified by UNFPA to the Contractor in respect of UNFPA Data.
- 13.4 The Contractor shall use its reasonable efforts to ensure the logical segregation of UNFPA Data from other information to the fullest extent possible. The Contractor shall use safeguards and controls (such as administrative, technical, physical, procedural and security infrastructures, facilities, tools, technologies, practices and other protective measures) that are necessary and sufficient to meet the Contractor's obligations under the Contract. At UNFPA's request, the Contractor shall provide UNFPA with copies of the applicable policies and a description of the safeguards and controls that the Contractor uses to fulfil its obligations under this Article; provided that any such policies and description provided by the Contractor will be treated as Confidential Information under the Contract. UNFPA may assess the effectiveness of these safeguards, controls and protective measures and, at UNFPA's request, the Contractor will provide its full cooperation with any such assessment at no additional cost or expense to UNFPA. The Contractor shall not, and shall ensure that its Personnel will not, transfer, copy, remove or store UNFPA Data from a UNFPA location, network or system without the prior written approval of an authorized official of UNFPA.
- 13.5 Except as otherwise expressly stated in the Contract or with UNFPA's express prior written consent, the Contractor will not install any application or other software on any UNFPA device, network or system. The Contractor represents and warrants to UNFPA that the services and deliverables provided under the Contract will not contain any Disabling Code, and that UNFPA will not otherwise receive from the Contractor any Disabling Code in the performance of the Contract. Without prejudice to UNFPA's other rights and remedies, if a Disabling Code is identified, the Contractor, at its sole cost and expense, will take all steps necessary to: (a) restore and/or reconstruct any and all UNFPA Data lost by UNFPA and/or end users as a result of disabling code; (b) furnish to UNFPA a corrected version of the services without the presence of Disabling Codes; and (c) as needed, re-implement the services.
- 13.6 In the event of any Security Incident, the Contractor will, as soon as possible following the Contractor's discovery of such Security Incident and at its sole cost and expense: (a) notify UNFPA of such Security Incident and of the Contractor's proposed remedial actions; (b) implement any and all necessary damage mitigation and remedial actions; and (c) as relevant, restore UNFPA's and, as directed by UNFPA, End Users' access to the services and/or goods. The Contractor will keep UNFPA reasonably informed of the progress of the Contractor's implementation of such damage mitigation and remedial actions. The Contractor, at its sole cost and expense, will cooperate fully with UNFPA's investigation of, remediation of, and/or response to any Security Incident. If the Contractor fails to resolve, to UNFPA's reasonable satisfaction, any such Security Incident, UNFPA may terminate the Contract immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.
- 13.7 The provisions of this Article shall survive any termination or expiration of the Contract.

14. PERSONAL DATA:

- 14.1 UNFPA will handle Personal Data that it obtains from the Contractor as a result of, or in connection with, the Contract solely in accordance with its own legal framework.
- 14.2 "Personal Data" shall mean any information relating to an identified or identifiable individual, and "UNFPA Personal Data" shall mean Personal Data that is obtained by the Contractor from UNFPA in connection with,

or related to, the performance of the Contract. For the purposes of the Contract, “Personal Data” shall be treated as Confidential Information within the meaning of Article 15, below.

14.3 The Contractor confirms that it has a Personal Data protection policy in place that meets a standard equivalent to the UNFPA Policy and Procedures on Personal Data Protection, available at https://www.unfpa.org/sites/default/files/admin-resource/ICT_Personal_Data_Protection_Policy.pdf (or such other URL as UNFPA may from time to time decide). Unless otherwise provided in the Contract, the Contractor shall take all appropriate measures, consistent with applicable laws, that have a bearing on the Contractor, to safeguard UNFPA Personal Data.

14.4 Without prejudice to the generality of Article 14.3 and Article 13, above, and unless otherwise more specifically provided in the Contract, the Contractor shall, at a minimum:

14.4.1 process UNFPA Personal Data solely and exclusively in accordance with the requirements of the Contract, and shall not use UNFPA Personal Data for the Contractor’s research, marketing, sales, promotional, or any other purposes;

14.4.2 implement appropriate technical and organizational measures, including appropriate access-control measures, to ensure that UNFPA Personal Data is accessed on a “need-to-know” basis by authorized Personnel only;

14.4.3 implement appropriate data security measures to preserve the integrity of UNFPA Personal Data and prevent any corruption, tampering, loss, damage, unauthorized access and improper disclosure of UNFPA Personal Data;

14.4.4 process UNFPA Personal Data in a manner that is adequate, relevant and limited to what is necessary for the performance of the Contract, and ensure that UNFPA Personal Data is kept for no longer than is necessary to perform the Contract;

14.4.5 as and when requested by UNFPA, update or rectify UNFPA Personal Data to ensure its accuracy;

14.4.6 transfer UNFPA Personal Data to third parties, including the Contractor’s agents or subcontractors, only in accordance with the requirements of the Contract, and on terms and conditions equivalent to those set forth in this Article and Article 15 (“Confidential Nature of Documents and Information”);

14.4.7 immediately notify UNFPA in writing upon becoming aware of any personal data breach that affects, or might affect, UNFPA Personal Data; take immediate mitigating and/or remedial action, including mitigating and/or remedial action as directed by UNFPA; and inform and update on a regular basis UNFPA of any measures taken by the Contractor to address such personal data breach;

14.4.8 as set forth in the Contract or as otherwise instructed by UNFPA in writing, the Contractor shall return, delete or destroy UNFPA Personal Data and, upon written request by UNFPA, provide substantiating evidence of such destruction to UNFPA, and

14.4.9 consult with, and follow the instructions of, UNFPA with respect to handling any requests and/or complaints by third parties in respect of UNFPA Personal Data made available to or received by the Contractor.

14.5 The provisions of this Article shall survive any termination or expiration of the Contract.

15. CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION: Information and data that is delivered or disclosed by one Party (“Discloser”) to the other Party (“Recipient”) during the course of performance of the Contract, and that is designated as confidential (collectively “Confidential Information”), shall be held in confidence by that Party and shall be handled as follows:

15.1 The Recipient shall:

15.1.1 use the same care and discretion to avoid disclosure, publication, or dissemination of the Discloser’s Confidential Information as it uses with its own similar information that it does not wish to disclose, publish or disseminate; *and*,

15.1.2 use the Discloser’s Confidential Information solely for the purpose for which it was disclosed.

15.2 Provided that the Recipient has a written agreement with the following persons or entities requiring them to treat the Confidential Information confidential in accordance with the Contract and this Article, the Recipient

may disclose Confidential Information to:

15.2.1 any other party with the Discloser's prior written consent; *and*,

15.2.2 the Recipient's officials, representatives, employees, staff, personnel, agents and subcontractors who have a need to know such Confidential Information for purposes of performing obligations under the Contract, and officials, representatives, employees, staff, personnel, agents and subcontractors of any legal entity that it controls, controls it, or with which it is under common control, who have a need to know such Confidential Information for purposes of performing obligations under the Contract, *provided that*, for these purposes a controlled legal entity means:

15.2.2.1 a corporate entity in which the Party owns or otherwise controls, whether directly or indirectly, over fifty percent (50%) of voting shares thereof; *or*,

15.2.2.2 any entity over which the Party exercises effective managerial control; *or*,

15.2.2.3 for UNFPA, a principal or subsidiary organ of the United Nations established in accordance with the Charter of the United Nations.

15.3 The Contractor may disclose Confidential Information to the extent required by law, *provided that*, subject to and without any waiver of the privileges and immunities of the United Nations, including UNFPA, the Contractor will give UNFPA sufficient prior notice of a request for the disclosure of Confidential Information in order to allow UNFPA to have a reasonable opportunity to take protective measures or such other action as may be appropriate before any such disclosure is made.

15.4 UNFPA may disclose Confidential Information to the extent as required pursuant to the Charter of the United Nations, or pursuant to resolutions or regulations of the General Assembly or rules promulgated thereunder.

15.5 The Recipient shall not be precluded from disclosing Confidential Information that is obtained by the Recipient from a third party without restriction, is disclosed by the Discloser to a third party without any obligation of confidentiality, is previously known by the Recipient, or at any time is developed by the Recipient completely independently of any disclosures hereunder.

15.6 These obligations and restrictions of confidentiality shall be effective during the Contract Term, including any extension thereof, and, unless otherwise provided in the Contract, shall remain effective following termination or expiration of the Contract.

16. FORCE MAJEURE; OTHER CHANGES IN CONDITIONS:

16.1 In the event of and as soon as possible after the occurrence of any cause constituting *force majeure*, the affected Party shall give notice and full particulars in writing to the other Party, of such occurrence or cause if the affected Party is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Contract. The affected Party shall also notify the other Party of any other changes in condition or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of *force majeure* or other changes in condition or occurrence, the affected Party shall also submit a statement to the other Party of estimated expenditures that will likely be incurred for the duration of the change in condition or the event of *force majeure*. On receipt of the notice or notices required hereunder, the Party not affected by the occurrence of a cause constituting *force majeure* shall take such action as it reasonably considers to be appropriate or necessary in the circumstances, including the granting to the affected Party of a reasonable extension of time in which to perform any obligations under the Contract.

16.2 If the Contractor is rendered unable, wholly or in part, by reason of *force majeure* to perform its obligations and meet its responsibilities under the Contract, UNFPA shall have the right to suspend or terminate the Contract on the same terms and conditions as are provided for in Article 17, "Termination," except that the period of notice shall be seven (7) days instead of thirty (30) days. In any case, UNFPA shall be entitled to consider the Contractor permanently unable to perform its obligations under the Contract in case the Contractor is unable to perform its obligations, wholly or in part, by reason of *force majeure* for any period in excess of ninety (90) days.

16.3 *Force majeure* as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, or any other acts of a similar nature or force, *provided that* such acts arise from causes beyond the control and without the fault or negligence of the Contractor. The Contractor acknowledges and agrees that, with respect to any obligations under the Contract that the Contractor must perform in areas in which UNFPA is engaged in, preparing to engage in, or disengaging from any humanitarian or similar operations, any delays or failure to perform such obligations

arising from or relating to harsh conditions within such areas, or to any incidents of civil unrest occurring in such areas, shall not, in and of itself, constitute *force majeure* under the Contract.

17. TERMINATION:

17.1 Either Party may terminate this Contract for cause, in whole or in part, upon thirty (30) days notice, in writing, to the other party. The initiation of arbitral proceedings in accordance with Article 20.2 (“Arbitration”), below, shall not be deemed a termination of this Contract.

17.2 UNFPA may terminate forthwith this Contract at any time should the mandate or its funding be curtailed or terminated, in which case the Contractor shall be reimbursed by UNFPA for all reasonable costs incurred by the Contractor prior to receipt of the notice of termination. In addition, unless otherwise provided by the Contract, upon sixty (60) day’s advance written notice to the Contractor, UNFPA may terminate the Contract without having to provide any justification therefor.

17.3 In the event of any termination by UNFPA under this Article, no payment shall be due from UNFPA to the Contractor except for work and services satisfactorily performed in conformity with the express terms of this Contract.

17.4 Should the Contractor be adjudged bankrupt, or be liquidated or become insolvent, or should the Contractor make an assignment for the benefit of its creditors, or should a Receiver be appointed on account of the insolvency of the Contractor, UNFPA may, without prejudice to any other right or remedy it may have under the terms of these conditions, terminate this Contract forthwith. The Contractor shall immediately inform UNFPA of the occurrence of any of the above events.

17.5 The provisions of this Article are without prejudice to any other rights or remedies of UNFPA under the Contract or otherwise.

18. **NON-WAIVER OF RIGHTS:** The failure by either Party to exercise any rights available to it, whether under the Contract or otherwise, shall not be deemed for any purposes to constitute a waiver by the other Party of any such right or any remedy associated therewith, and shall not relieve the Parties of any of their obligations under the Contract.

19. **NON-EXCLUSIVITY:** Unless otherwise specified in the Contract, UNFPA shall have no obligation to purchase any minimum quantities of goods or services from the Contractor, and UNFPA shall have no limitation on its right to obtain goods or services of the same kind, quality and quantity described in the Contract, from any other source at any time.

20. SETTLEMENT OF DISPUTES:

20.1 **AMICABLE SETTLEMENT:** The Parties shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of the Contract or the breach, termination, or invalidity thereof. Where the Parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law (“UNCITRAL”), or according to such other procedure as may be agreed between the Parties in writing.

20.2 **ARBITRATION:** Any dispute, controversy, or claim between the Parties arising out of the Contract or the breach, termination, or invalidity thereof, unless settled amicably under Article 20.1, above, within sixty (60) days after receipt by one Party of the other Party’s written request for such amicable settlement, shall be referred by either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any Confidential Information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any other property, whether tangible or intangible, or of any Confidential Information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26 (“Interim measures”) and Article 34 (“Form and effect of the award”) of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the United States Federal Reserve Bank of New York’s Secured Overnight Financing Rate (“SOFR”) then prevailing, and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy, or claim.

21. **PRIVILEGES AND IMMUNITIES:** Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.

22. TAX EXEMPTION:

- 22.1 Pursuant to Article II, Section 7, of the Convention on the Privileges and Immunities of the United Nations adopted by the General Assembly of the United Nations on 13 February 1946, the United Nations, including UNFPA, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental entity refuses to recognize the exemptions of UNFPA from such taxes, restrictions, duties, or charges, the Contractor shall immediately consult with UNFPA to determine a mutually acceptable procedure.
- 22.2 The Contractor authorizes UNFPA to deduct from the Contractor's invoices any amount representing such taxes, duties, or charges, unless the Contractor has consulted with UNFPA before the payment thereof and UNFPA has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide UNFPA with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and UNFPA shall reimburse the Contractor for any such taxes, duties, or charges so authorized by UNFPA and paid by the Contractor under written protest.
23. **MODIFICATIONS:** Pursuant to the Financial Regulations and Rules of UNFPA, only the Chief of the Supply Chain Management Unit of UNFPA or such other contracting authority as made known to the Contractor in writing, possesses the authority to agree on behalf of UNFPA to any modification of or change in this Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in this Contract shall be valid and enforceable against UNFPA unless provided by an amendment to this Contract signed by the Contractor and the Chief of the Supply Chain Management Unit of UNFPA or such other contracting authority.
24. **AUDITS AND INVESTIGATIONS:**
- 24.1 Each invoice paid by UNFPA shall be subject to a post-payment audit by auditors, whether internal or external, of UNFPA or the United Nations or by other authorized and qualified agents of UNFPA or the United Nations at any time during the Contract Term and for a period of three (3) years following the expiration or prior termination of the Contract. UNFPA shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by UNFPA other than in accordance with the terms and conditions of the Contract.
- 24.2 UNFPA may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the Contract Term and for a period of three (3) years following the expiration or prior termination of the Contract.
- 24.3 The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its Personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNFPA access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants, or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNFPA or the United Nations hereunder.
25. **LIMITATION ON ACTIONS:**
- 25.1 Except with respect to any indemnification obligations in Article 7, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article 20.2, above, arising out of the Contract must be commenced within three years after the cause of action has accrued.
- 25.2 The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins.
26. **ESSENTIAL TERMS:** The Contractor acknowledges and agrees that each of the provisions in Articles 27 to 35 hereof constitutes an essential term of the Contract and that any breach of any of these provisions shall entitle UNFPA to terminate the Contract or any other contract with UNFPA immediately upon notice to the Contractor, without any liability

for termination charges or any other liability of any kind.

27. **SOURCE OF INSTRUCTIONS:** The Contractor shall neither seek nor accept instructions from any authority external to UNFPA in connection with the performance of its obligations under the Contract. Should any authority external to UNFPA seek to impose any instructions concerning or restrictions on the Contractor's performance under the Contract, the Contractor shall promptly notify UNFPA and provide all reasonable assistance required by UNFPA.
