- 18.2 The Contractor authorizes UNFPA to deduct from the Contractor's invoices any amount representing such taxes, duties or charges, unless the Contractor has consulted with UNFPA before the payment thereof and the UNFPA has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide UNFPA with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and UNFPA shall reimburse the Contractor for any such taxes, duties, or charges so authorized by UNFPA and paid by the Contractor under written protest.

19. **MODIFICATIONS:** Pursuant to the Financial Regulations and Rules of UNFPA, only the Chief of the Procurement Services Branch of UNFPA or such other contracting authority as made known to the Contractor in writing, possesses the authority to agree on behalf of UNFPA to any modification of or change in this Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in this Contract shall be valid and enforceable against UNFPA unless provided by an amendment to this Contract signed by the Contractor and the Chief of the Procurement Services Branch of UNFPA or such other contracting authority.

20. AUDITS AND INVESTIGATIONS:

- 20.1 Each invoice paid by UNFPA shall be subject to a post-payment audit by auditors, whether internal or external, of UNFPA or the United Nations or by other authorized and qualified agents of UNFPA or the United Nations at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract. UNFPA shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by UNFPA other than in accordance with the terms and conditions of the Contract.
- 20.2 UNFPA may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.
- 20.3 The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNFPA access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNFPA or the United Nations hereunder.

21. LIMITATION ON ACTIONS:

- 21.1 Except with respect to any indemnification obligations in Article 5, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article 16.2, above, arising out of the Contract must be commenced within three years after the cause of action has accrued.
- 21.2 The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins.
22. **ESSENTIAL TERMS:** The Contractor acknowledges and agrees that each of the provisions in Articles 23 to 28 hereof constitutes an essential term of the Contract and that any breach of any of these provisions shall entitle UNFPA to terminate the Contract or any other contract with UNFPA immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.

23. **SOURCE OF INSTRUCTIONS:** The Contractor shall neither seek nor accept instructions from any authority external to UNFPA in connection with the performance of its obligations under the Contract. Should any authority external to UNFPA seek to impose any instructions concerning or restrictions on the Contractor's performance under the Contract, the Contractor shall promptly notify UNFPA and provide all reasonable assistance required by UNFPA. The Contractor shall not take any action in respect of the performance of its obligations under the Contract that may adversely affect the interests of UNFPA, and the Contractor shall perform its obligations under the Contract with the fullest regard to the interests of the United Nations and UNFPA.
24. **OFFICIALS NOT TO BENEFIT:** The Contractor warrants that it has not and shall not offer to any representative, official, employee, or other agent of UNFPA any direct or indirect benefit arising from or related to the performance of the Contract or of any other contract with UNFPA or the award thereof or for any other purpose intended to gain an advantage for the Contractor.
25. **OBSERVANCE OF THE LAW:** The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract. In addition, the Contractor shall maintain compliance with all obligations relating to its registration as a qualified vendor of goods or services to UNFPA, as such obligations are set forth in the United Nations and UNFPA vendor registration procedures.
26. **CHILD LABOR:** The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiary or affiliated entities (if any) is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, *inter alia*, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral, or social development.
27. **MINES:** The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiaries or affiliated entities (if any) is engaged in the sale or manufacture of anti-personnel mines or components utilized in the manufacture of anti-personnel mines.
28. **SEXUAL EXPLOITATION:**
- 28.1 The Contractor shall take all appropriate measures to prevent sexual exploitation or abuse of anyone by its employees or any other persons engaged and controlled by the Contractor to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, shall constitute the sexual exploitation and abuse of such person. In addition, the Contractor shall refrain from, and shall take all reasonable and appropriate measures to prohibit its employees or other persons engaged and controlled by it from exchanging any money, goods, services, or other things of value, for sexual favors or activities, or from engaging any sexual activities that are exploitive or degrading to any person.
- 28.2 UNFPA shall not apply the foregoing standard relating to age in any case in which the Contractor's personnel or any other person who may be engaged by the Contractor to perform any services under the Contract is married to the person less than the age of eighteen years with whom sexual activity has occurred and in which such marriage is recognized as valid under the laws of the country of citizenship of such Contractor's personnel or such other person who may be engaged by the Contractor to perform any services under the Contract.
