I. About UNFPA

UNFPA is the lead UN agency for delivering a world where every pregnancy is wanted, every childbirth is safe and every young person's potential is fulfilled.

II. Technical specification: Annex I

Objective

As part of UNFPA and UNICEF's joint work to eliminate child marriage, the Global Programme to Accelerate Action to End Child Marriage (GPECM) and to eliminate female genital mutilation, the Joint Programme to Eliminate FGM, UNFPA ASRO is commissioning a study to outline the interlinkages between climate change and its link and influence on female genital mutilation (FGM) and child marriage (CM). Such study would be reflective of the context of the Arab region, with a focus on the development-humanitarian nexus to deliver programmatic recommendations for a holistic and multi-sectoral approach for prevention and response to these harmful practices. The overall objectives of the research will be to:

1. review impact of climate change on CM/FGM in the Arab region
2. assess and propose programmatic interventions which address vulnerabilities related to FGM & CM in the context of climate change based on good practices and lessons learned.
3. collect evidence to strengthen the Joint Programme's approach to address harmful practices.

The study will inform ASRO's work on tailoring programmatic interventions to ensure that:

- a) they are adapted to address the impact of climate change on the incidence of CM and FGM
- b) they incorporate adaptability and resilience measures for women and girls facing the impact of climate change
- c) they are sustainable, responsive and resilient across the development-humanitarian nexus
- d) they considers the interlinkages between CM and FGM in the context of climate change, including in humanitarian settings.

It will focus on six countries namely Yemen, Djibouti, Sudan, Somalia, Egypt and Jordan (tbc). These countries are either 1) part of UNFPA/UNICEF global programmes or 2) present characteristics to inform programming on the humanitarian-development nexus to extract lessons learned for the region. While there is anecdotal evidence on the impact of climate change on FGM, some global research on CM and climate change, and available literature highlight how the related environmental crises can exacerbate the drivers of CM and FGM. However, little research has been undertaken in the context specific to the Arab region, which is posing challenges to effectively adapt CM and FGM programming to climate change.

Seeking to build on the UNFPA/Queen Mary scoping review of climate impacts and CM, UNFPA ASRO is commissioning a study with the aim of assessing critically the relationship between climate change and CM and FGM in the Arab States region. Work will include highlighting hot spots, presenting relevant case studies and issuing programmatic recommendations. This study will provide a summary that can be the basis of programmatic interventions in this area of work across the region. Specifically, some key questions are outlined below:

1. How is climate change-related events impacting child marriage and female genital mutilation in the region? Major climate events in the region include drought, water scarcity, flooding, typhoons, cyclones, and desertification.
2. What are the contextual drivers that are vulnerable to climate change and increase the risk of child marriage and female genital mutilation? What is the role of engendered power dynamics in deciding to opt for child marriage and female genital mutilation in the context of climate change?
3. Identifying pertinent examples and case studies. Highlighting countries in the region or communities that best typifies this situation
4. What are the interlinkages between CM and FGM in the context of climate change and its impact on the drivers, including in humanitarian settings?
5. What are the programmatic and policy options that can help reduce the climate-induced risk of CM and FGM and promote the resilience and adaptability of women and girls? What are the interventions, services, and information available to support girls in preventing the risk of child marriage and female genital mutilation in the context of climate change? What could be the role of early warning and protection systems in this context? What knowledge and capacities are available to local communities to employ strategies to buffer shocks and adapt to climate change to prevent child marriage and female genital mutilation? What is the role of local institutions, power relations between men and women in decision making and policies?
6. What are the programmatic recommendations and policy options to ensure adaptability and resilience of child marriage and female genital mutilation programming across the humanitarian-development nexus?

Six indicative case studies from: Yemen, Sudan, Somalia, Djibouti, Egypt and Jordan

Scope of work:

(Description of services, activities, or outputs)

UNFPA recently undertook a global scoping review of linkages between environmental crises and child marriage. UNFPA ASRO is currently looking to position this review in the regional context as a framework allowing to expand and further strengthen the regional evidence for strong programmatic interventions. Prepare an inception report (maximum 20 pages) and technical note (5 pages) for COP27. 5. <u>Prepare the final report</u> (maximum 40 pages) and a policy brief (5 pages) including a detailed summary of findings, identify possible programmatic interventions and entry points as well as write a dedicated analysis of a particular country that will be spotlighted. 															
Duration and working schedule:	The consultancy shall not exceed five months, between July 2022 and March 2023, with around 92 working days.															
Place where services are to be delivered:	The consultancy will be primarily home-based.

LEGAL STATUS OF THE PARTIES: UNFPA (a subsidiary organ of the United Nations established by the General Assembly in resolution 3019 (XXVII)) and the Contractor shall also each be referred to as a “Party” hereunder, and: 1.1 Pursuant, *inter alia*, to the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations, the United Nations, including its subsidiary organs, has full juridical personality and enjoys such privileges and immunities as are necessary for the independent fulfillment of its purposes.

1.2 The Contractor shall have the legal status of an independent contractor *vis-à-vis* UNFPA, and nothing contained in or relating to the Contract shall be construed as establishing or creating between the Parties the relationship of employer and employee or of principal and agent. The officials, representatives, employees, or subcontractors of each of the Parties shall not be considered in any respect as being the employees or agents of the other Party, and each Party shall be solely responsible for all claims arising out of or relating to its engagement of such persons or entities.

2. RESPONSIBILITY FOR EMPLOYEES: To the extent that the Contract involves the provision of any services to UNFPA by the Contractor’s officials, employees, agents, servants, subcontractors and other representatives (collectively, the Contractor’s “personnel”), the following provisions shall apply:

2.1 The Contractor shall be responsible for the professional and technical competence of the personnel it assigns to perform work under the Contract and will select reliable and competent individuals who will be able to effectively perform the obligations under the Contract and who, while doing so, will respect the local laws and customs and conform to a high standard of moral and ethical conduct.

2.2 Such Contractor personnel shall be professionally qualified and, if required to work with officials or staff of UNFPA, shall be able to do so effectively. The qualifications of any personnel whom the Contractor may assign or may propose to assign to perform any obligations under the Contract shall be substantially the same, or better, as the qualifications of any personnel originally proposed by the Contractor.

2.3 At the option of and in the sole discretion of UNFPA:

2.3.1 the qualifications of personnel proposed by the Contractor (*e.g.*, a curriculum vitae) may be reviewed by UNFPA prior to such personnel’s performing any obligations under the Contract;

2.3.3 in cases in which, pursuant to Article 2.3.1 or 2.3.2, above, UNFPA has reviewed the qualifications of such Contractor’s personnel, UNFPA may reasonably refuse to accept any such personnel.

2.4 Requirements specified in the Contract regarding the number or qualifications of the Contractor’s personnel may change during the course of performance of the Contract. Any such change shall be made only following written notice of such proposed change and upon written agreement between the Parties regarding such change, subject to the following:

2.4.1 UNFPA may, at any time, request, in writing, the withdrawal or replacement of any of the Contractor’s personnel, and such request shall not be unreasonably refused by the Contractor.

2.4.6 If a request for the withdrawal or replacement of the Contractor's personnel is *not* based upon a default by or failure on the part of the Contractor to perform its obligations in accordance with the Contract, the misconduct of the personnel, or the inability of such personnel to reasonably work together with UNFPA officials and staff, then the Contractor shall not be liable by reason of any such request for the withdrawal or replacement of the Contractor's personnel for any delay in the performance by the Contractor of its obligations under the Contract that is substantially the result of such personnel's being withdrawn or replaced.

2.5 Nothing in Articles 2.2, 2.3 and 2.4, above, shall be construed to create any obligations on the part of UNFPA with respect to the Contractor's personnel assigned to perform work under the Contract, and such personnel shall remain the sole responsibility of the Contractor.

UNFPA shall be entitled, in its sole discretion, to review the qualifications of any subcontractors and to reject any proposed subcontractor that UNFPA reasonably considers is not qualified to perform obligations under the Contract. UNFPA shall have the right to require any subcontractor's removal from UNFPA premises without having to give any justification therefor.

Any such rejection or request for removal shall not, in and of itself, entitle the Contractor to claim any delays in the performance, or to assert any excuses for the non-performance, of any of its obligations under the Contract, and the Contractor shall be solely responsible for all services and obligations performed by its subcontractors. The terms of any subcontract shall be subject to, and shall be construed in a manner that is fully in accordance with, all of the terms and conditions of the Contract.

5. INDEMNIFICATION:

5.1 The Contractor shall indemnify, defend, and hold and save harmless, UNFPA, and its officials, agents and employees, from and against all suits, proceedings, claims, demands, losses and liability of any kind or nature brought by any third party against UNFPA, including, but not limited to, all litigation costs and expenses, attorney's fees, settlement payments and damages, based on, arising from, or relating to:

5.1.1 allegations or claims that the possession of or use by UNFPA of any patented device, any copyrighted material, or any other goods, property or services provided or licensed to UNFPA under the terms of the Contract, in whole or in part, separately or in a combination contemplated by the Contractor's published specifications therefor, or otherwise specifically approved by the Contractor, constitutes an infringement of any patent, copyright, trademark, or other intellectual property right of any third party; *or*,

5.1.2 any acts or omissions of the Contractor, or of any subcontractor or anyone directly or indirectly employed by them in the performance of the Contract, which give rise to legal liability to anyone not a party to the Contract, including, without limitation, claims and liability in the nature of a claim for workers' compensation.

5.2 The indemnity set forth in Article 5.1.1, above, shall not apply to:

5.2.1 A claim of infringement resulting from the Contractor's compliance with specific written instructions by UNFPA directing a change in the specifications for the goods, property, materials, equipment or supplies to be or used, or directing a manner of performance of the Contract or requiring the use of specifications not normally used by the Contractor; *or*

5.2.2 A claim of infringement resulting from additions to or changes in any goods, property, materials equipment, supplies or any components thereof furnished under the Contract if UNFPA or another party acting under the direction of UNFPA made such changes.

5.3 In addition to the indemnity obligations set forth in this Article 5, the Contractor shall be obligated, at its sole expense, to defend UNFPA and its officials, agents and employees, pursuant to this Article 5, regardless of whether the suits, proceedings, claims and demands in question actually give rise to or otherwise result in any loss or liability.

5.4 UNFPA shall advise the Contractor about any such suits, proceedings, claims, demands, losses or liability within a reasonable period of time after having received actual notice thereof. The Contractor shall have sole control of the defense of any such suit, proceeding, claim or demand and of all negotiations in connection with the settlement or compromise thereof, except with respect to the assertion or defense of the privileges and immunities of the United Nations, including its subsidiary organs, or any matter relating thereto, for which only UNFPA itself is authorized to assert and maintain. UNFPA shall have the right, at its own expense, to be represented in any such suit, proceeding, claim or demand by independent counsel of its own choosing.

5.5 In the event the use by UNFPA of any goods, property or services provided or licensed to UNFPA by the Contractor, in whole or in part, in any suit or proceeding, is for any reason enjoined, temporarily or permanently, or is found to infringe any patent, copyright, trademark or other intellectual property right, or in the event of a settlement, is enjoined, limited or otherwise interfered with, then the Contractor, at its sole cost and expense, shall, promptly, either:

5.5.1 procure for UNFPA the unrestricted right to continue using such goods or services provided to UNFPA;

5.5.2 replace or modify the goods or services provided to UNFPA, or part thereof, with the equivalent or better goods or services, or part thereof, that is non-infringing; *or*,

5.5.3 refund to UNFPA the full price paid by UNFPA for the right to have or use such goods, property or services, or part thereof.

6. INSURANCE AND LIABILITY:

6.1 The Contractor shall pay UNFPA promptly for all loss, destruction, or damage to the property of UNFPA caused by the Contractor's personnel or by any of its subcontractors or anyone else directly or indirectly employed by the Contractor or any of its subcontractors in the performance of the Contract.

6.2 Unless otherwise provided in the Contract, prior to commencement of performance of any other obligations under the Contract, and subject to any limits set forth in the Contract, the Contractor shall take out and shall maintain for the entire term of the Contract, for any extension thereof, and for a period following any termination of the Contract reasonably adequate to deal with losses:

6.2.1 insurance against all risks in respect of its property and any equipment used for the performance of the Contract;

6.2.2 workers' compensation insurance, or its equivalent, or employer's liability insurance, or its equivalent, with respect to the Contractor's personnel sufficient to cover all claims for injury, death and disability, or any other benefits required to be paid by law, in connection with the performance of the Contract;

6.2.3 liability insurance in an adequate amount to cover all claims, including, but not limited to, claims for death and bodily injury, products and completed operations liability, loss of or damage to property, and personal and advertising injury, arising from or in connection with the Contractor's performance under the Contract, including, but not limited to, liability arising out of or in connection with the acts or omissions of the Contractor, its personnel, agents, or invitees, or the use, during the performance of the Contract, of any vehicles, boats, airplanes or other transportation vehicles and equipment, whether or not owned by the Contractor; *and*,

6.2.4 such other insurance as may be agreed upon in writing between UNFPA and the Contractor.

6.3 The Contractor's liability policies shall also cover subcontractors and all defense costs and shall contain a standard "cross liability" clause.

6.4 The Contractor acknowledges and agrees that UNFPA accepts no responsibility for providing life, health, accident, travel or any other insurance coverage which may be necessary or desirable in respect of any personnel performing services for the Contractor in connection with the Contract.

6.5 Except for the workers' compensation insurance or any self-insurance program maintained by the Contractor and approved by UNFPA, in its sole discretion, for purposes of fulfilling the Contractor's requirements for providing insurance under the Contract, the insurance policies required under the Contract shall:

6.5.1 name UNFPA as an additional insured under the liability policies, including, if required, as a separate endorsement under the policy;

6.5.2 include a waiver of subrogation of the Contractor's insurance carrier's rights against UNFPA;

6.5.3 provide that UNFPA shall receive written notice from the Contractor's insurance carrier not less than thirty (30) days prior to any cancellation or material change of coverage; *and*,

6.5.4 include a provision for response on a primary and non-contributing basis with respect to any other insurance that may be available to UNFPA.

6.6 The Contractor shall be responsible to fund all amounts within any policy deductible or retention.

6.7 Except for any self-insurance program maintained by the Contractor and approved by UNFPA for purposes of fulfilling the Contractor's requirements for maintaining insurance under the Contract, the Contractor shall

maintain the insurance taken out under the Contract with reputable insurers that are in good financial standing and that are acceptable to UNFPA. Prior to the commencement of any obligations under the Contract, the Contractor shall provide UNFPA with evidence, in the form of certificate of insurance or such other form as UNFPA may reasonably require, that demonstrates that the Contractor has taken out insurance in accordance with the requirements of the Contract. UNFPA reserves the right, upon written notice to the Contractor, to obtain copies of any insurance policies or insurance program descriptions required to be maintained by the Contractor under the Contract. Notwithstanding the provisions of Article 6.5.3, above, the Contractor shall

promptly notify UNFPA concerning any cancellation or material change of insurance coverage required under the Contract.

6.8 The Contractor acknowledges and agrees that neither the requirement for taking out and maintaining insurance as set forth in the Contract nor the amount of any such insurance, including, but not limited to, any deductible or retention relating thereto, shall in any way be construed as limiting the Contractor's liability arising under or relating to the Contract.

7. ENCUMBRANCES AND LIENS: The Contractor shall not cause or permit any lien, attachment or other encumbrance by any person to be placed on file or to remain on file in any public office or on file with UNFPA against any monies due to the Contractor or that may become due for any work done or against any goods supplied or materials furnished under the Contract, or by reason of any other claim or demand against the Contractor or UNFPA.

8. EQUIPMENT FURNISHED BY UNFPA TO THE CONTRACTOR: Title to any equipment and supplies that may be furnished by UNFPA to the Contractor for the performance of any obligations under the Contract shall rest with UNFPA, and any such equipment shall be returned to UNFPA at the conclusion of the Contract or when no longer needed by the Contractor. Such equipment, when returned to UNFPA, shall be in the same condition as when delivered to the Contractor, subject to normal wear and tear, and the Contractor shall be liable to compensate UNFPA for the actual costs of any loss of, damage to, or degradation of the equipment that is beyond normal wear and tear.

9. COPYRIGHT, PATENTS AND OTHER PROPRIETARY RIGHTS:

9.1 Except as is otherwise expressly provided in writing in the Contract, UNFPA shall be entitled to all intellectual property and other proprietary rights including, but not limited to, patents, copyrights, and trademarks, with regard to products, processes, inventions, ideas, know-how, or documents and other materials which the Contractor has developed for UNFPA under the Contract and which bear a direct relation to or are produced or prepared or collected in consequence of, or during the course of, the performance of the Contract. The Contractor acknowledges and agrees that such products, documents and other materials

constitute works made for hire for UNFPA.

9.2 To the extent that any such intellectual property or other proprietary rights consist of any intellectual property or other proprietary rights of the Contractor: (i) that pre-existed the performance by the Contractor of its obligations under the Contract, or (ii) that the Contractor may develop or acquire, or may have developed or acquired, independently of the performance of its obligations under the Contract, UNFPA does not and shall not claim any ownership interest thereto, and the Contractor grants to UNFPA a perpetual license to use such intellectual property or other proprietary right solely for the purposes of and in accordance with the requirements of the Contract.

9.3 At the request of UNFPA, the Contractor shall take all necessary steps, execute all necessary documents and generally assist in securing such proprietary rights and transferring or licensing them to UNFPA in compliance with the requirements of the applicable law and of the Contract.

9.4 Subject to the foregoing provisions, all maps, drawings, photographs, mosaics, plans, reports, estimates, recommendations, documents, and all other data compiled by or received by the Contractor under the Contract shall be the property of UNFPA, shall be made available for use or inspection by UNFPA at reasonable times and in reasonable places, shall be treated as confidential, and shall be delivered only to UNFPA authorized officials on completion of work under the Contract.

10. PUBLICITY, AND USE OF THE NAME, EMBLEM OR OFFICIAL SEAL: The Contractor shall not advertise or otherwise make public for purposes of commercial advantage or goodwill that it has a contractual relationship with UNFPA, nor shall the Contractor, in any manner whatsoever use the name, emblem or official seal of the United Nations and UNFPA, or any abbreviation of the name of the United Nations and UNFPA in connection with its business or otherwise without the written permission of the United Nations and UNFPA.

11. CONFIDENTIAL NATURE OF DOCUMENTS AND INFORMATION: Information and data that is considered proprietary by either Party or that is delivered or disclosed by one Party (“Discloser”) to the other Party (“Recipient”) during the course of performance of the Contract, and that is designated as confidential (“Information”), shall be held in confidence by that Party and shall be handled as follows:

11.1 The Recipient shall:

11.1.1 use the same care and discretion to avoid disclosure, publication or dissemination of the Discloser’s Information as it uses with its own similar Information that it does not wish to disclose, publish or disseminate; *and*,

11.1.2 use the Discloser’s Information solely for the purpose for which it was disclosed.

11.2 Provided that the Recipient has a written agreement with the following persons or entities requiring them to treat the Information confidential in accordance with the Contract and this Article 11, the Recipient may disclose Information to:

11.2.1 any other party with the Discloser’s prior written consent; *and*,

11.2.2 the Recipient’s employees, officials, representatives and agents who have a need to know such Information for purposes of performing obligations under the Contract, and employees officials,

representatives and agents of any legal entity that it controls, controls it, or with which it is under common control, who have a need to know such Information for purposes of performing obligations under the Contract, *provided that*, for these purposes a controlled legal entity means:

11.2.2.1 a corporate entity in which the Party owns or otherwise controls, whether directly or indirectly, over fifty percent (50%) of voting shares thereof; *or*,

11.2.2.2 any entity over which the Party exercises effective managerial control; *or*,

11.2.2.3 for the United Nations, a principal or subsidiary organ of the United Nations established in accordance with the Charter of the United Nations.

11.3 The Contractor may disclose Information to the extent required by law, *provided that*, subject to and without any waiver of the privileges and immunities of the United Nations, including its subsidiary organs, the Contractor will give UNFPA sufficient prior notice of a request for the disclosure of Information in order to allow UNFPA to have a reasonable opportunity to take protective measures or such other action as may be appropriate before any such disclosure is made.

11.4 UNFPA may disclose Information to the extent as required pursuant to the Charter of the United Nations, or pursuant to resolutions or regulations of the General Assembly or rules promulgated thereunder.

11.5 The Recipient shall not be precluded from disclosing Information that is obtained by the Recipient from a third party without restriction, is disclosed by the Discloser to a third party without any obligation of confidentiality, is previously known by the Recipient, or at any time is developed by the Recipient completely independently of any disclosures hereunder.

11.6 These obligations and restrictions of confidentiality shall be effective during the term of the Contract, including any extension thereof, and, unless otherwise provided in the Contract, shall remain effective following any termination of the Contract.

12. **FORCE MAJEURE; OTHER CHANGES IN CONDITIONS:**

12.1 In the event of and as soon as possible after the occurrence of any cause constituting *force majeure*, the affected Party shall give notice and full particulars in writing to the other Party, of such occurrence or cause if the affected Party is thereby rendered unable, wholly or in part, to perform its obligations and meet its responsibilities under the Contract. The affected Party shall also notify the other Party of any other changes in condition or the occurrence of any event which interferes or threatens to interfere with its performance of the Contract. Not more than fifteen (15) days following the provision of such notice of *force majeure* or other changes in condition or occurrence, the affected Party shall also submit a statement to the other Party of

estimated expenditures that will likely be incurred for the duration of the change in condition or the event of *force majeure*. On receipt of the notice or notices required hereunder, the Party not affected by the occurrence of a cause constituting *force majeure* shall take such action as it reasonably considers to be appropriate or necessary in the circumstances, including the granting to the affected Party of a reasonable extension of time in which to perform any obligations under the Contract.

12.2 If the Contractor is rendered unable, wholly or in part, by reason of *force majeure* to perform its obligations and meet its responsibilities under the Contract, UNFPA shall have the right to suspend or terminate the Contract on the same terms and conditions as are provided for in Article 13, "Termination," except that the period of notice shall be seven (7) days instead of thirty (30) days. In any case, UNFPA shall be entitled to consider the Contractor permanently unable to perform its obligations under the Contract in case the Contractor is unable to perform its obligations, wholly or in part, by reason of *force majeure* for any period in excess of ninety (90) days.

12.3 *Force majeure* as used herein means any unforeseeable and irresistible act of nature, any act of war (whether declared or not), invasion, revolution, insurrection, terrorism, or any other acts of a similar nature

or force, *provided that* such acts arise from causes beyond the control and without the fault or negligence of the Contractor. The Contractor acknowledges and agrees that, with respect to any obligations under the Contract that the Contractor must perform in areas in which UNFPA is engaged in, preparing to engage in, or disengaging from any humanitarian or similar operations, any delays or failure to perform such obligations arising from or relating to harsh conditions within such areas, or to any incidents of civil unrest occurring in

such areas, shall not, in and of itself, constitute *force majeure* under the Contract.

13. TERMINATION:

13.1 Either Party may terminate the Contract for cause, in whole or in part, upon thirty (30) day's notice, in writing, to the other Party. The initiation of conciliation or arbitral proceedings in accordance with Article 16 "Settlement of Disputes," below, shall not be deemed to be a "cause" for or otherwise to be in itself a termination of the Contract.

13.2 UNFPA may terminate the Contract at any time by providing written notice to the Contractor in any case in which the mandate of UNFPA applicable to the performance of the Contract or the funding of UNFPA applicable to the Contract is curtailed or terminated, whether in whole or in part. In addition, unless otherwise provided by the Contract, upon sixty (60) day's advance written notice to the Contractor, UNFPA may terminate the Contract without having to provide any justification therefor.

13.3 In the event of any termination of the Contract, upon receipt of notice of termination that has been issued by UNFPA, the Contractor shall, except as may be directed by UNFPA in the notice of termination or otherwise in writing:

13.3.1 take immediate steps to bring the performance of any obligations under the Contract to a close in a prompt and orderly manner, and in doing so, reduce expenses to a minimum;

13.3.2 refrain from undertaking any further or additional commitments under the Contract as of and following the date of receipt of such notice;

13.3.3 place no further subcontracts or orders for materials, services, or facilities, except as UNFPA and the Contractor agree in writing are necessary to complete any portion of the Contract that is not terminated;

13.3.4 terminate all subcontracts or orders to the extent they relate to the portion of the Contract terminated;

13.3.5 transfer title and deliver to UNFPA the fabricated or unfabricated parts, work in process, completed work, supplies, and other material produced or acquired for the portion of the Contract terminated;

13.3.6 deliver all completed or partially completed plans, drawings, information, and other property that, if the Contract had been completed, would be required to be furnished to UNFPA thereunder;

13.3.7 complete performance of the work not terminated; *and,*

13.3.8 take any other action that may be necessary, or that UNFPA may direct in writing, for the minimization of losses and for the protection and preservation of any property, whether tangible or intangible, related to the Contract that is in the possession of the Contractor and in which UNFPA has or may be reasonably expected to acquire an interest.

13.4 In the event of any termination of the Contract, UNFPA shall be entitled to obtain reasonable written accountings from the Contractor concerning all obligations performed or pending in accordance with the Contract. In addition, UNFPA shall not be liable to pay the Contractor except for those goods delivered and services provided to UNFPA in accordance with the requirements of the Contract, but only if such goods or services were ordered, requested or otherwise provided prior to the Contractor's receipt of notice of termination from UNFPA or prior to the Contractor's tendering of notice of termination to UNFPA.

13.5 UNFPA may, without prejudice to any other right or remedy available to it, terminate the Contract forthwith in the event that:

13.5.1 the Contractor is adjudged bankrupt, or is liquidated, or becomes insolvent, or applies for a moratorium or stay on any payment or repayment obligations, or applies to be declared insolvent;

13.5.2 the Contractor is granted a moratorium or a stay, or is declared insolvent;

13.5.3 the Contractor makes an assignment for the benefit of one or more of its creditors;

13.5.4 a Receiver is appointed on account of the insolvency of the Contractor;

13.5.5 the Contractor offers a settlement in lieu of bankruptcy or receivership; *or*,

13.5.6 UNFPA reasonably determines that the Contractor has become subject to a materially adverse change in its financial condition that threatens to substantially affect the ability of the Contractor to perform any of its obligations under the Contract.

13.6 Except as prohibited by law, the Contractor shall be bound to compensate UNFPA for all damages and costs,

including, but not limited to, all costs incurred by UNFPA in any legal or non-legal proceedings, as a result of any of the events specified in Article 13.5, above, and resulting from or relating to a termination of the Contract, even if the Contractor is adjudged bankrupt, or is granted a moratorium or stay or is declared insolvent. The Contractor shall immediately inform UNFPA of the occurrence of any of the events specified in Article 13.5, above, and shall provide UNFPA with any information pertinent thereto.

13.7 The provisions of this Article 13 are without prejudice to any other rights or remedies of UNFPA under the Contract or otherwise.

14. NON-WAIVER OF RIGHTS: The failure by either Party to exercise any rights available to it, whether under the Contract or otherwise, shall not be deemed for any purposes to constitute a waiver by the other Party of any such right or any remedy associated therewith, and shall not relieve the Parties of any of their obligations under the Contract.

15. NON-EXCLUSIVITY: Unless otherwise specified in the Contract, UNFPA shall have no obligation to purchase any

minimum quantities of goods or services from the Contractor, and UNFPA shall have no limitation on its right to obtain

goods or services of the same kind, quality and quantity described in the Contract, from any other source at any time.

16. SETTLEMENT OF DISPUTES:

16.1 AMICABLE SETTLEMENT: The Parties shall use their best efforts to amicably settle any dispute, controversy, or claim arising out of the Contract or the breach, termination, or invalidity thereof. Where the Parties wish to seek such an amicable settlement through conciliation, the conciliation shall take place in accordance with the Conciliation Rules then obtaining of the United Nations Commission on International Trade Law (“UNCITRAL”), or according to such other procedure as may be agreed between the Parties in writing.

16.2 ARBITRATION: Any dispute, controversy, or claim between the Parties arising out of the Contract or the breach, termination, or invalidity thereof, unless settled amicably under Article 16.1, above, within sixty (60) days after receipt by one Party of the other Party’s written request for such amicable settlement, shall be referred by either Party to arbitration in accordance with the UNCITRAL Arbitration Rules then obtaining. The decisions of the arbitral tribunal shall be based on general principles of international commercial law. The arbitral tribunal shall be empowered to order the return or destruction of goods or any property, whether tangible or intangible, or of any confidential information provided under the Contract, order the termination of the Contract, or order that any other protective measures be taken with respect to the goods, services or any

other property, whether tangible or intangible, or of any confidential information provided under the Contract, as appropriate, all in accordance with the authority of the arbitral tribunal pursuant to Article 26

(“Interim measures”) and Article 34 (“Form and effect of the award”) of the UNCITRAL Arbitration Rules. The arbitral tribunal shall have no authority to award punitive damages. In addition, unless otherwise expressly provided in the Contract, the arbitral tribunal shall have no authority to award interest in excess of the London Inter-Bank Offered Rate (“LIBOR”) then prevailing, and any such interest shall be simple interest only. The Parties shall be bound by any arbitration award rendered as a result of such arbitration as the final adjudication of any such dispute, controversy, or claim.

17. PRIVILEGES AND IMMUNITIES: Nothing in or relating to the Contract shall be deemed a waiver, express or implied, of any of the privileges and immunities of the United Nations, including its subsidiary organs.

18. TAX EXEMPTION:

18.1 Article II, Section 7, of the Convention on the Privileges and Immunities of the United Nations provides, *inter alia*, that the United Nations, including its subsidiary organs, is exempt from all direct taxes, except charges for public utility services, and is exempt from customs restrictions, duties, and charges of a similar nature in respect of articles imported or exported for its official use. In the event any governmental authority refuses to recognize the exemptions of UNFPA from such taxes, restrictions, duties, or charges, the Contractor shall immediately consult with UNFPA to determine a mutually acceptable procedure.

18.2 The Contractor authorizes UNFPA to deduct from the Contractor’s invoices any amount representing such taxes, duties or charges, unless the Contractor has consulted with UNFPA before the payment thereof and UNFPA has, in each instance, specifically authorized the Contractor to pay such taxes, duties, or charges under written protest. In that event, the Contractor shall provide UNFPA with written evidence that payment of such taxes, duties or charges has been made and appropriately authorized, and UNFPA shall reimburse the Contractor for any such taxes, duties, or charges so authorized by UNFPA and paid by the Contractor under written protest.

19. MODIFICATIONS:

19.1 Pursuant to the Financial Regulations and Rules of UNFPA, only the Chief of the Procurement Services Branch of UNFPA or such other contracting authority as made known to the Contractor in writing, possesses the authority to agree on behalf of UNFPA to any modification of or change in the Contract, to a waiver of any of its provisions or to any additional contractual relationship of any kind with the Contractor. Accordingly, no modification or change in the Contract shall be valid and enforceable against UNFPA unless provided by a valid written amendment to the Contract signed by the Contractor and the Chief of the Procurement Services Branch of UNFPA or such other contracting authority.

19.2 If the Contract shall be extended for additional periods in accordance with the terms and conditions of the Contract, the terms and conditions applicable to any such extended term of the Contract shall be the same terms and conditions as set forth in the Contract, unless the Parties shall have agreed otherwise pursuant to a valid amendment concluded in accordance with Article 19.1, above.

19.3 The terms or conditions of any supplemental undertakings, licenses, or other forms of agreement concerning any goods or services provided under the Contract shall not be valid and enforceable against UNFPA nor in any way shall constitute an agreement by UNFPA thereto unless any such undertakings, licenses or other forms are the subject of a valid amendment concluded in accordance with Article 19.1, above.

20. AUDITS AND INVESTIGATIONS:

20.1 Each invoice paid by UNFPA shall be subject to a post-payment audit by auditors, whether internal or external, of UNFPA or the United Nations or by other authorized and qualified agents of UNFPA or the United Nations at any time during the term of the Contract and for a period of three (3) years following the

expiration or prior termination of the Contract. UNFPA shall be entitled to a refund from the Contractor for any amounts shown by such audits to have been paid by UNFPA other than in accordance with the terms and conditions of the Contract.

20.2 UNFPA may conduct investigations relating to any aspect of the Contract or the award thereof, the obligations performed under the Contract, and the operations of the Contractor generally relating to performance of the Contract at any time during the term of the Contract and for a period of three (3) years following the expiration or prior termination of the Contract.

20.3 The Contractor shall provide its full and timely cooperation with any such inspections, post-payment audits or investigations. Such cooperation shall include, but shall not be limited to, the Contractor's obligation to make available its personnel and any relevant documentation for such purposes at reasonable times and on reasonable conditions and to grant to UNFPA access to the Contractor's premises at reasonable times and on reasonable conditions in connection with such access to the Contractor's personnel and relevant documentation. The Contractor shall require its agents, including, but not limited to, the Contractor's attorneys, accountants or other advisers, to reasonably cooperate with any inspections, post-payment audits or investigations carried out by UNFPA or the United Nations hereunder.

21. LIMITATION ON ACTIONS:

21.1 Except with respect to any indemnification obligations in Article 5, above, or as are otherwise set forth in the Contract, any arbitral proceedings in accordance with Article 16.2, above, arising out of the Contract must be commenced within three years after the cause of action has accrued.

21.2 The Parties further acknowledge and agree that, for these purposes, a cause of action shall accrue when the breach actually occurs, or, in the case of latent defects, when the injured Party knew or should have known all of the essential elements of the cause of action, or in the case of a breach of warranty, when tender of delivery is made, except that, if a warranty extends to future performance of the goods or any process or system and the discovery of the breach consequently must await the time when such goods or other process or system is ready to perform in accordance with the requirements of the Contract, the cause of action accrues when such time of future performance actually begins.

22. ESSENTIAL TERMS: The Contractor acknowledges and agrees that each of the provisions in Articles 23 to 28 hereof constitutes an essential term of the Contract and that any breach of any of these provisions shall entitle UNFPA to terminate the Contract or any other contract with UNFPA immediately upon notice to the Contractor, without any liability for termination charges or any other liability of any kind.

23. SOURCE OF INSTRUCTIONS: The Contractor shall neither seek nor accept instructions from any authority external

to UNFPA in connection with the performance of its obligations under the Contract. Should any authority external to UNFPA seek to impose any instructions concerning or restrictions on the Contractor's performance under the Contract, the Contractor shall promptly notify UNFPA and provide all reasonable assistance required by UNFPA. The Contractor shall not take any action in respect of the performance of its obligations under the Contract that may adversely affect the interests of UNFPA, and the Contractor shall perform its obligations under the Contract with the fullest regard to the interests of the United Nations and UNFPA.

24. OFFICIALS NOT TO BENEFIT: The Contractor warrants that it has not and shall not offer to any representative, official, employee, or other agent of UNFPA any direct or indirect benefit arising from or related to the performance of the Contract or of any other contract with UNFPA or the award thereof or for any other purpose intended to gain an advantage for the Contractor.

25. OBSERVANCE OF THE LAW: The Contractor shall comply with all laws, ordinances, rules, and regulations bearing upon the performance of its obligations under the Contract. In addition, the Contractor shall maintain compliance with all obligations relating to its registration as a qualified vendor of goods or services to UNFPA, as such obligations are set forth in the United Nations and UNFPA vendor registration procedures.

26. CHILD LABOR: The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiary or affiliated entities (if any) is engaged in any practice inconsistent with the rights set forth in the Convention on the Rights of the Child, including Article 32 thereof, which, *inter alia*, requires that a child shall be protected from performing any work that is likely to be hazardous or to interfere with the child's education, or to be harmful to the child's health or physical, mental, spiritual, moral, or social development.

27. MINES: The Contractor represents and warrants that neither it, its parent entities (if any), nor any of the Contractor's subsidiaries or affiliated entities (if any) is engaged in the sale or manufacture of anti-personnel mines or components utilized in the manufacture of anti-personnel mines.

28. SEXUAL EXPLOITATION:

28.1 The Contractor shall take all appropriate measures to prevent sexual exploitation or abuse of anyone by its employees or any other persons engaged and controlled by the Contractor to perform any services under the Contract. For these purposes, sexual activity with any person less than eighteen years of age, regardless of any laws relating to consent, shall constitute the sexual exploitation and abuse of such person. In addition, the Contractor shall refrain from, and shall take all reasonable and appropriate measures to prohibit its employees or other persons engaged and controlled by it from exchanging any money, goods, services, or other things of value, for sexual favors or activities, or from engaging any sexual activities that are exploitive or degrading to any person.

28.2 UNFPA shall not apply the foregoing standard relating to age in any case in which the Contractor's personnel or any other person who may be engaged by the Contractor to perform any services under the Contract is married to the person less than the age of eighteen years with whom sexual activity has occurred and in which such marriage is recognized as valid under the laws of the country of citizenship of such Contractor's personnel or such other person who may be engaged by the Contractor to perform any services under the Contract.
