

POST TITLE:	Security Associate
TYPE OF CONTRACT:	Service Contract (SC)
POST TYPE:	Non-rotational
CATEGORY:	SB-3
DUTY STATION:	Cairo, Egypt
DURATION:	One year (Renewable subject to satisfactory performance and availability of funds and to a maximum of 5 Years)
SALARY:	In accordance with SC salary scale for Egypt
REPORTS TO:	Regional Security Adviser

ORGANIZATIONAL UNIT: UNFPA Arab States Regional Office (ASRO)

ORGANIZATIONAL SETTING:

Under the guidance and supervision of the UNFPA Regional Security Adviser (RSA), the Security Associate provides support to UNFPA ASRO, UNFPA Egypt CO, and UNAIDS office which are collocated in the same premises. As part of his work the Security Associate works with the RSA in the execution of his regional responsibilities by performing a variety of security and administrative services while ensuring high quality and accuracy of work. The Security Associate promotes a client, quality and results-oriented approach.

The Security Associate works in close collaboration with the ASRO RSA as well as the UNFPA Regional, UNFPA Egypt CO and UNAIDS CO Security Focal points. He will also work as assigned with UNFPA Arab States Country Security focal points and other support staff in ASRO, country offices and New York. He will collaborate with other UN organizations as well as with the UNDSS staff to coordinate tasks, request and share information, and to ensure pro-active, consistent, quality service delivery.

SUMMARY OF KEY FUNCTIONS:

- Assist with the implementation of security plans and measures in UNFPA (RO & CO) and UNAIDS in Egypt, maintaining linkages and liaison with UNFPA offices and UNDSS in regard to security measures, information, and events.
- Support to effective and efficient delivery of the security functions in the UNFPA and UNAIDS premises in Egypt through security, administrative and logistical services.

- Support to knowledge building and knowledge sharing.

DUTIES AND RESPONSIBILITIES:

- 1. Assist with the implementation of security plans and measures in ASRO, maintaining linkages and liaison with UNFPA offices and UNDSS in regard to security measures, information, and events, focusing on achievement of the following results:**
 - Establish and maintain a working relationship with UNFPA Security Focal points in Regional, Egypt Country Office, UNAIDS and DSS staff in Egypt, as well as security support staff in New York.
 - Support coordination of security related matters for the various country offices
 - Liaise and maintain in good working relation with all of the relevant actors in regard to information, gathering and sharing, coordination of current and contemporary events, which might affect UNFPA and UNAIDS in Egypt staff safety and security with Regional Security Adviser
 - Assist UNFPA offices with the implementation of security plans, Security Risk Management Measures (SRM/M) compliance, devising and implementing contingency and preparedness plans, business continuity and provide technical support of related procurement
 - Assist with the effective functioning of emergency communication system, warden system, updated staff lists, fire and evacuation procedures,
 - Monitor, report and maintain Significant Security Incident Report System data (SSIRS) and Travel Request Information Process (TRIP)
 - In absence of the RSA provide continued security support to UNFPA personnel within the Region.

- 2. Support to effective and efficient delivery of the security function in the ASRO through security, administrative and logistical services:**
 - Contribute directly to the effective functioning of the security office, its communications, operation and maintenance of equipment.
 - Full compliance of administrative and financial activities with UNFPA and UNAIDS (as relevant) rules, regulations, policies and strategies.
 - Prepare monthly reporting on ASRO security budget. Creating Requisitions for procurement and travel activities related to security.
 - Provision of inputs to preparation of the office's results-oriented work plan
 - Follow up on tasks, deadlines, commitments made, actions taken and coordination of collection and submission of inputs to the reports as required.
 - Handle all procurement of services and goods related to enhancing the security measures at UNFPA building and liaise with OSC and/or UNFPA on allocation of budget;
 - Supervise security guards and resolve day to day encountered problems while acting as a focal point with the security services provider management;
 - Responsible for the maintenance of the security equipment and provide inputs in setting up maintenance contracts with suppliers/technicians;
 - Maintain an updated inventory list for all regional security items and ensure safekeeping of security equipment;
 - Maintain updated filing system and confidential materials.
 - Updating and maintaining ASRO and Egypt UNFPA and UNAIDS CO Security List;

- Updating the Warden List and contribute to the review and update of Business Continuity Plans (BCPs)
- Research and collection of data from various sources. Research and retrieval of specifications, statistical data from internal and external sources; preparation of statistical charts, tables and reports as required.
- Pro-active and effective logistic and administrative arrangements in support of the security function.

3. Support knowledge building and knowledge sharing in the ASRO, focusing on achievement of the following results:

- Master and share material on security methodology, advisories, specifications etc as required and to stay abreast of UN system reforms
- Disseminate in consultation with the RSA, and maintain UN and UNFPA/UNAIDS directives/guidance and instructions.
- Assist in organizing and running training courses/sessions, briefing sessions, security workshops as required
- Share (and acquire) knowledge and experience in risk management and support aspects with/from colleagues.
